

Steps for Obtaining the “ Massive Rotten Tomatoes Movies & Reviews” Dataset from Kaggle

1. Go to <https://www.kaggle.com/datasets/andrezaza/clapper-massive-rotten-tomatoes-movies-and-reviews>
2. At the top of the page, click “Download.” This will download a zipped folder that contains two CSV files, “roten_tomatoes_movie_reviews” and “rotten_tomatoes_movies”

3. Extract the two CSV files and save them to a folder on the local machine or to Google Drive
